

Healing

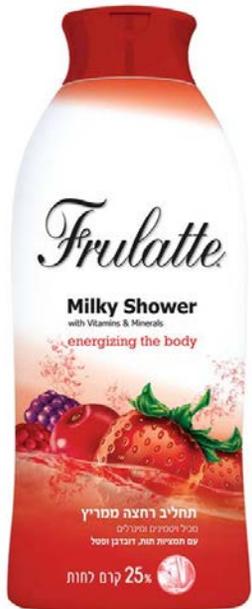

Frulatte's Healing Shampoo, Conditioner will restore your dry and damaged hair, leaving it looking healthy and with a beautiful shine. As well as Oblepiha, it is also enriched with almond, jojoba and wheat germ oils that are also active antioxidants. The oils prevent scalp irritation and help to regulate it. They also contain Vitamin E, which helps prevent hair from breaking and split ends from forming. Using these restorative products for dry and damaged hair on a regular basis will strengthen your hair, normalize sebum secretion, restore elasticity, protect it from harmful environmental factors and leave hair looking soft and shiny. Your hair will be healthy and lustrous once more!
